***The method of participation in the EGM and the method of exercising the voting right***

A shareholder who is a natural person (an individual) may participate in the EGM and exercise the voting right either personally or through a proxy. Shareholders other than individuals may participate in the EGM and exercise the voting right through a person authorized to make representations of will on its behalf, or by proxy. A power of attorney should be made in writing or granted electronically. A power of attorney may be granted fully electronically and its granting in such form does not require a secure electronic signature verified with the use of a valid qualified certificate.

One should notify the Company on granting the power of attorney by sending the document in "pdf" format (or other format readable to the Company) signed by the shareholder or in case of shareholders other than natural persons, by persons authorized to represent the shareholder, by fax +48 (022) 721 13 33 or by e-mail to the address [wza@bioton.pl](mailto:wza@bioton.pl).

For the purpose of identification of the shareholder granting the power of attorney, the notification on granting the power of attorney in electronic form should include (as an enclosure in "pdf" format or other format readable to the Company):

- (i) if the shareholder is an individual, a copy of the identification card, passport or any other official document confirming the shareholder's identity; or
- (ii) if the shareholder is not an individual, a copy of an extract from the relevant register or any other document confirming the authority of one or several individuals to represent the shareholder at the EGM (e.g. an unbroken sequence of powers of attorney).

In case of doubts as to the authenticity of the copies of the above mentioned documents, the Managing Board of the Company reserves the right to demand that the proxy presents the following upon drawing up the attendance list:

- (i) if the shareholder is an individual, a true and correct copy of the original certified as such by a notary or an entity authorized to confirm that a copy of an identity card, a passport or any other official document confirming the identity of the shareholder is a true and correct copy of the original; or
- (ii) if the shareholder is not an individual, an original or a copy of the original certified as true and correct by a notary or another entity having the authority to confirm that a document is a true and correct copy of an extract from the relevant register or any other document confirming the authority of one or several individuals to represent the shareholder at the EGM (e.g. an unbroken sequence of powers of attorney).

In order to identify the proxy, the Managing Board of the Company reserves the right to demand from the proxy presentation of the following upon drawing up the attendance list:

- (i) if the proxy is an individual, the original of the identity card, passport or any other official document confirming proxy's identity; or
- (ii) if the proxy is not an individual, an original or a copy of the original certified as true and correct by a notary or another entity having the authority to confirm as such a copy of an extract from the relevant register or another document confirming the authority of one or several individuals to represent the proxy at the EGM (e.g. an unbroken sequence of powers of attorney) and an identity card, passport or any other official document confirming the identity of one or several individuals authorized to represent the proxy at the EGM.

The forms referred to in Art. 402<sup>3</sup> § 1 item 5 of the CCC authorizing shareholders to exercise the voting right through a proxy are available on the Company's website [www.bioton.pl](http://www.bioton.pl) The Company does not require that the power of attorney be granted on such form only.

Furthermore, the Managing Board of the Company declares that if a shareholder grants a power of attorney with voting instructions, the Company will not verify if the proxies did exercise the voting rights in accordance with the instructions received from the shareholders. In the light of the above, the Managing Board of the Company would like to emphasize that voting instructions should be delivered to the proxy only.

The Company makes a reservation that a shareholder using electronic means of communication bears the sole and exclusive risk related to the use of such means of communication. The notice of granting a power of attorney electronically and the written draft resolutions concerning the matters included on the agenda of the EGM or matters which are to be placed on the agenda should be delivered to the Company no later than by the end of the day preceding the date of the EGM. The Company cannot guarantee that it will be able to verify the identity of shareholders presenting draft resolutions or granting a power of attorney on the date of the EGM.

The Statute of the Company do not provide for the right to participate in the EGM, to take the floor at the EGM or to exercise voting rights via the use of means of electronic communication. The Statute of the Company do not provide for the right to exercise voting rights by post.
